HOOFLAND'S GERMAN BITTERS,
AND
Hoofland's German Tonic.
THE GREAT REMEDIES
FOR ALL DISEASES OF
THE LIVER, STOMACH, OR DIGESTIVE ORGANS.

HOOFLAND'S GERMAN BITTERS

Is composed of the pure juices (or, as they are medically termed, *Extracts*) of Roots, Herbs, and Barks, making a preparation, highly concentrated, and entirely *free from alcoholic admixtures of any kind.*

HOOFLAND'S GERMAN TONIC

Is a combination of all the ingredients of the Bitters, with the purest quality of *Santa Cruz Rum*, Orange, &c., making one of the most pleasant and agreeable remedies ever offered to the public.

Those preferring a Medicine free from Alcoolic admixture, will use

Hoofland's German Bitters,

Those who have no objection to the combination of the Bitters, as stated, will use

Hoofland's German Tonic.

They are both equally good, and contain the same medical virtues, the choice between the two being a mere matter of taste, the Tonic being the most palatable.

The stomach, from a variety of causes, such as Indigestion, Dyspepsia, Nervous Debility, etc., is very apt to have its functions deranged. The Liver, sympathizing as it does with the Stomach, often becomes affected, the result of which is that the patient suffers from several or more of the following diseases:

CONSTIPATION, FLATULENCE, INWARD PILES, FULNESS OF BLOOD TO THE HEAD, ACIDITY OF THE STOMACH, NAUSEA, HEART-BURN, DISGUST FOR FOOD, FULNESS OR WEIGHT IN THE STOMACH, SOUR ERUCTATIONS, SINKING OR FLUTTERING AT THE PIT OF THE STOMACH, SWIMMING OF THE HEAD, HURRIED OR DIFFICULT BREATHING, FLUTTERING AT THE HEART, CHOKING OR SUFFOCATING SENSATIONS WHEN IN A LYING POSTURE, DIMNESS OF VISION, DOTS OR WEBS BEFORE THE SIGHT, DULL PAINS IN THE HEAD, DEFICIENCY OF PERSPIRATION, YELLOWNESS OF THE SKIN AND EYES, PAIN IN THE SIDE, BACK, CHEST, LIMBS, ETC., SUDDEN FLUSHES OF HEAT, BURNING IN THE FLESH, CONSTANT IMAGININGS OF EVIL, AND GREAT DEPRESSION OF SPIRITS.

The sufferer from these diseases should exercise the greatest caution in the selection of a Medicine, purchasing only that of which he is assured from his investigations and inquiries possesses true merit, is skillfully compounded, is free from injurious ingredients, and has established for itself a reputation for the cure of these diseases. In this connection we would submit those well-known certificates:

HOOFLAND'S GERMAN BITTERS
AND
HOOFLAND'S GERMAN TONIC.
PREPARED BY *DR. C. M. JACKSON*, PHILADELPHIA, PA.

Twenty-two years since they were first introduced into this country from Germany, during which time they have undoubtedly performed more cures, and benefited suffering humanity to a greater extent, than any other remedies in the world.

These remedies will effectually cure Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, Chronic Diarrhœa, Disease of the Kidneys, and all Diseases arising from a Disordered Liver, Stomach, or Intestines.

DEBILITY,

Resulting from any Cause whatever; PROSTRATION OF THE SYSTEM, Induced by Severe Labor, Hardships, Exposures, Fevers, &c.

There is no medicine extant equal to these remedies in such cases. A tone and vigor is imparted to the whole system, the appetite is strengthened, food is enjoyed, the stomach digests promptly, the blood is purified, the complexion becomes sound and healthy, the yellow tinge is eradicated from the eyes, a bloom is given to the cheeks, and the weak and nervous invalid becomes a strong and healthy being.

PERSONS ADVANCED IN LIFE,

And feeling the hand of time weighing heavily upon them, with all its attendant ills, will find in the use of this BITTERS, or the TONIC, an elixir that will instil new life into the veins, restore in a measure the energy and ardor of more youthful days, build up their shrunken forms, and give health and happiness to their remaining years.

NOTICE.

It is a well-established fact that fully one-half of the female portion of our population are seldom in the enjoyment of good health; or, to use their own expression, "never feel well." They are languid, devoid of all energy, extremely nervous, and have no appetite.

To such cases of persons the BITTERS, or the TONIC, is especially recommended.

WEAK & DELICATE CHILDREN

Are made strong by the use of either of these remedies. They will cure every case of MARASMUS, without fail.

Thousands of certificates have accumulated in the hands of the proprietors, but space will allow of the publication of but few. Those, it will be observed, are men of note and of such standing that they must be believed.

TESTIMONIALS.

Hon. Geo. W. Woodward,

Chief Justice of the Supreme Court of Pa., writes:

Philadelphia, March 16, 1867.

"I find "Hoofland's German Bitters' is a good tonic, useful in diseases of the digestive organs, and of great benefit in cases of debility, and want of nervous action in the system. Yours truly,

GEO. W. WOODWARD."

Hon. James Thompson,

Judge of the Supreme Court of Pennsylvania.

Philadelphia, April 28, 1866.

"I consider 'Hoofland's German Bitters' a *valuable medicine* in cases of attacks of indigestion or Dyspepsia. I can certify this from my experience of it. Yours, with respect,

JAMES THOMPSON."

From Rev. Joseph H. Kennard, D. D.,

Pastor of the Tenth Baptist Church, Philadelphia.

Dr. Jackson—Dear Sir: I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practice as out of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances and particularly in my own family, of the usefulness of Dr. Hoofland's German Bitters, I depart for once from my usual course, to express my full conviction that, *for general debility of the system, and especially for Liver Complaint, it is a safe and valuable preparation.* In some cases it may fail; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Yours, very respectfully,

J. H. KENNARD,
Eighth, below Coates St.

From Rev. E. D. Fendall,

Assistant Editor Christian Chronicle, Philada.

I have derived decided benefit from the use of Hoofland's German Bitters, and feel it my privilege to recommend them as a most valuable tonic, to all who are suffering from general debility or even diseases arising from derangement of the liver. Yours truly,

E. D. FENDALL.

CAUTION.

Hoofland's German Remedies are counterfeited. See that the signature of C. M. JACKSON, is on the wrapper of each bottle. All others are counterfeit.

SEYMOUR AND BLAIR!

The friends of SEYMOUR AND BLAIR will

Raise a Hickory Pole,

in front of the Hotel of John M. Hufford, in the Borough of LITTLESTOWN, on SATURDAY, SEPTEMBER 12th, at 4 o'clock, after which there will be several speeches delivered by prominent speakers. All in favor of a White Man's Government—all in favor of equal taxation, and one Currency for the Government and the People—all in favor of a just and impartial execution of the Laws—all who oppose putting the Negro on an equality with the White Race, and all who oppose a Military Despotism—are requested to attend. LET THERE BE A GRAND RALLY!

BY ORDER OF THE COMMITTEE.

Sept 4, 1868.

AROUSE! ORGANIZE!

Democrats of Adams, AROUSE! Our enemies are at work energetically, though quietly, for their county ticket. They hope to gull Democrats into the belief that they entertain no hope of electing any of their candidates, and hence are making no fight. Don't be deceived, fellow Democrats! They are trying to lull you to sleep—to cheat you, and then defeat you! It is their usual game. Don't trust them! Be on your guard! Watch them at all points! Find out their manœuvres, and expose them!

Democrats, keep in view the importance of the October election, not to mention the national contest of November. With State officers, member of Congress, State Senator and Assemblyman, and a large county ticket to elect, there is sufficient incentive to activity, but with the opposition adopting the *sneaking* tactics, there is double reason for VIGILANCE and WORK! AROUSE EVERYWHERE! ORGANIZE EVERYWHERE!

LIVE ISSUES.

The living issues of the campaign are the abominable corruption of the party in power, its reckless extravagance, its atrocious negro supremacy policy, its despotic, unconstitutional usurpations and the necessity of an economical and better government. In these there is matter enough, if properly handled, to sink the Radical party into the lowest depths of infamy and beyond the hope of resurrection. The facts must be put tersely and squarely before the people, or they will be smothered up by the adroit management of the Radicals in confusing the public mind with past and side issues and political clap-trap.

REMEMBER OCTOBER!

It should be understood by every Democrat in Pennsylvania, that this State is the battle-ground of the present political contest. It should be understood, furthermore, that the great decisive battle will be fought on the thirteenth of October next. If that battle be won by the Democracy, nothing on earth can prevent our success in November.

It is said that some of the negroes in the South are about leaving the Radical party. What a filthy thing it must be down there if even the niggers can't stand it!

HON. F. M. KIMMELL.

Hon. B. F. Meyers, editor of the Bedford *Gazette*, was a prominent candidate before the Democratic Congressional Conference. Indeed, the contest at last narrowed down to Judge Kimmell and himself. But, utterly regardless of self, and like an earnest Democrat as he is, he goes into the contest for the Judge's election, and Cessna's defeat, with sleeves rolled up, endorsing the one as vigorously as he slashes the other. We subjoin his article, as follows:

HON. F. M. KIMMELL.—We place upon the ticket printed at the head of our editorial columns, the name of F. M. Kimmell, of Franklin county, as the Democratic candidate for Congress in this (the 16th) district. It is hardly necessary to commend this nomination to the voters who are to choose our next Congressman. Judge Kimmell is known to almost every man in the district, and no one will deny his ability, or dispute his soundness as a Democrat. He is not only capable, but honest, and holds correct views on all the great issues now before the people. He will make such a representative as the people can well be proud of, and in his hands their interests will always be safe. During his services as Judge, he was universally respected and admired, not only for his ability as a jurist, but for the promptness with which he conducted the business of our courts, and the care he exercised in lightening the expenses of his judicial administration. Think of him in comparison with John Cessna! A true man against a traitor; an honest man against a corruptionist, an able man against a pettyfogger! But personalities are as nothing in the scale between these two candidates. If Cessna be elected, he will vote for all the devilish and infamous schemes of the Radicals; he will record his vote on the same side with Ben. Butler, Ashley, Bingham, Kelly, and the rest of the reckless revolutionists who have brought the country to the verge of ruin. If Kimmell be elected, he will vote for peace and reconciliation with the Southern people, for a reduction of the standing army, for the abolition of the Freedmen's Bureau, for the payment of the Public Debt as speedily as possible, according to the contract, for taxation of Government Bonds, for the constitutional powers of the President and the independence of the Judiciary, and for the enfranchisement of the hundreds of thousands of white Americans who are now mere vassals to the negro majorities of the Southern States. Between these men and the principles they represent, the people must choose. Who then can hesitate to vote for Judge Kimmell, able and upright, on the White Man's Platform of Liberty to All, Equality of the States, Civil as against Military Government, Peace and Harmony between the North and South and the Reduction of the Expenses of the Government, as against John Cessna, a mere trickster who was never known to be true to any man, upon the Black Platform of Negro Rule in the South, upheld by the bayonet, at a cost of hundreds of millions per annum? Democrats, Republicans! Make your choice and choose ye wisely.

TELL HIM!

Fellow Democrat, when you are approached by a Radical candidate for your vote, "to give him a lift for good fellowship's sake," tell him you have *principles* at stake—that you believe This was made a white man's government, and that white men should rule—that the burden of taxation should bear on the bondholder, as well as on the farmer, the mechanic and the laborer—that Radical thieving has been going on long enough, and that the old fashioned days of honesty and economy should be restored. He may reply that he is only running for a county office, and that national politics has nothing to do with the case. Say back to him that IT HAS, *and he knows it*—that if he should be elected the Radical leaders in Gettysburg and throughout the county would set up a great shout of triumph and claim it as an endorsement of all the miserable doctrines and thieving practices of their party.

The country has had enough of Radicalism, and no Democrat can vote for one of its candidates without endorsing it to that extent. There is but one safe course for Democrats and Conservatives to pursue, and that is to give all Radical office-beggars the go-by, and work and vote for the whole Democratic or White Man's ticket, from top to bottom.

☞ By the official statement of the incidental expenses of the United States House of Representatives it is shown that they have increased since the war, as follows:

Increase in 1865 over 1864,			$128,254
"	1866	" "	108,808
"	1867	" "	148,451
"	1868	" "	371,925
Aggregate increase in 4 years,			$757,438

Tax-payers! look at and consider these figures. Here, in a period of profound peace, we have an increase of seven hundred and fifty-seven thousand four hundred and thirty-eight dollars in the contingent expenses of the House of Representatives alone.

IN the report of the National Know-Nothing Convention held in Philadelphia in June, 1855, we find the following list of representatives from Indiana:

William Comstock, ☞ SCHUYLER COLFAX, ☞ Godlove S. Orth, John Harvey, F. D Allen, James R. M. Bryant, Thomas C. Slaughter.

Mr. Colfax is understood to deny that he was a member of the Know-Nothing order.

SMALL favors are thankfully received by people in despair, and a drowning man will catch at a straw. The Radicals are wild with joy to think that they did not lose VERMONT, which nobody tried to take from them; and the *Tribune* gravely informs us that "when a poll, taken on a Harlem train, resulted in a vote of 49 for SEYMOUR to 28 for GRANT, the GRANT men *were much elated!*" If this sort of thing "elates" the Grant men, they will have a very jolly time next November! —*World.*

THE Lebanon *Advertiser* charges that Henry L. Cake, the Radical candidate for Congress in the Schuylkill and Lebanon District, has obtained from Washington a large contract for coal, for the government, *at an advance of fifty cents per ton over and above what any one else would furnish it for.* This nice little arrangement was made to aid him in securing a re-election. How long will the people continue to support a party which is guilty of such infamous outrages?

DEMOCRATS, see that every Democratic voter in your neighborhood is assessed immediately. We must get out every vote this time, and give Radicalism a blow that will knock its already shaking fabric into fragments so small that it can never be rebuilt.

TOM. MARSHALL, of Pittsburg, one of the most prominent Republican orators in the State, said in a speech at [illegible] the other day:

"The negroes should have the right to vote in the Northern States, and I will come into this Congressional district and help elect Mr. Cessna to Congress on this issue."

SOME PLAIN FACTS.

It is a plain fact that while the Democratic party was in power, the times were easy, the taxes light, and the whole country prospered.

It is a plain fact that ever since the Radicals have had the power, the times have been hard, the taxes high, and the whole nation engaged in civil war.

It is a plain fact that while the Democratic party was in power, our currency was as good as gold, our national credit was above par, our people happy and our land united.

It is plain fact that under the Radicals, our country has been flooded with a currency which at times was not worth half its face, and which has never been worth its face at home, and is not at present worth half its face abroad.

It is a plain fact that Radical power has severed all our national ties, destroyed all our political confidence, endangered all our social relationships, and prostituted all our institutions to the basest ends, degraded our race and elevated another.

It is a plain fact that Radical rule has flooded our land with crimes, filled our prisons with bad men, induced our ministers and the church to wander into evil paths, and ruined and blighted the hopes of millions of our people.

It is a plain fact that our rulers are all gone astray, and that our people will rise up and crush out all Radical power at the next election.

It is a plain fact that the loyal masses are Democratic, while the disloyal usurpers are Radicals.

It is a plain fact that our people want a change and will have it.

ANOTHER INCREASE OF THE DEBT!

The public debt statement, just published, shows an INCREASE OF TWELVE MILLIONS OF DOLLARS during the month of August. The total expenses for the same month were over THIRTY-SEVEN MILLIONS! How much longer can the country stand Radicalism at this rate? TAX-PAYERS, *REFLECT!*

EX-GOV. WM. F. JOHNSON, heretofore a distinguished opponent of the Democratic party, and elected Governor by the Whigs, has seen the error of his way and comes out squarely for Seymour and Blair. He addressed a Democratic mass meeting at Pittsburg recently, and in an able speech urged all who loved their country to vote against tyrannical and ruinous Radicalism. In the success of the Democratic nominees he saw the only hope for the peace, prosperity and progress of the nation.

HON. EDGAR COWAN has taken the stump for Seymour and Blair. He left the Republican party from honest convictions of public duty, at a time when by adhering to it he might have been re-elected to the United States Senate without the slightest difficulty. That act attests the purity of his patriotism. Mr. Cowan is one of the most effective stump speakers in the country.

EX-GOVERNOR SHERWOOD, of Wisconsin, deserts the Radicals and comes out in support of the Democratic nominees. So acts Hon. C. W. Johnson, of Quincy, Illinois, and so does Colonel M. H. Brooks, of the same State, living in Charlestown.

A LARGE number of prominent Republicans in Westmoreland county have declared their intention to vote the Democratic ticket this fall. They have become tired of Radical misrule and throughout the county would set up a great shout of triumph and claim it as an endorsement of all the miserable doctrines and thieving practices of their party.

THE country has had enough of Radicalism, and no Democrat can vote for one of its candidates without endorsing it to that extent. There is but one safe course for Democrats and Conservatives to pursue, and that is to give all Radical office-beggars the go-by, and work and vote for the whole Democratic or White Man's ticket, from top to bottom.

THE statement that Gen. John A. Dix, United States Minister to France, and Hon. Henry M. Watts, Minister to Austria, favor the election of Grant and Colfax, is believed to be untrue. A correspondent writes that so far as Gen. DIX is concerned he "has good reason to believe it altogether destitute of truth," and with respect to Mr. Watts that it is apocryphal.—*Balt. Sun.*

HOW IT WORKS.—Mr. Sanford E. Church, (who was held up so long by the New York delegation as their candidate for President in the Democratic Convention,) in a speech lately made in New York, brought before the attention of his hearers what Radical reconstruction is costing the people of the North, besides the evils it has brought upon the Southern people. Mr. Church said that while the Southern States contain a population three times greater than New York, yet so impoverished are they that the State of New York for the last year has paid double the amount in internal revenue that the whole ten States paid. But for the despotic system which prevents the South from its natural development instead of paying $30,000,000, they would pay $150,000,000, according to the amount of taxation. So that the result is, as Mr. Church admonished his Northern audience, that they are not only obliged to contribute by direct taxation $11,000,000 a year for the freedmen's bureau, and $10,000,000 or $20,000,000 for the army to back them up, but they are deprived of $150,000,000 a year which ought to go into the treasury of the general government, in consequence of keeping that country as it now is.

VERMONT ELECTION.—The Radicals are roosting lower. Their majority in Vermont will not reach 27,000, whilst the Democrats have elected twelve more members of the Legislature than last year. And this on the largest vote ever given for State officers. Radical bragging won't save the party.

THE Bellefonte *Watchman* has on hand and offers to bet $1,000 on each of the States of Connecticut, New York, New Jersey, Pennsylvania, Delaware, Ohio, Kentucky, Indiana, Missouri, California, Maryland, that they go for Seymour and Blair; $2,000 that Seymour and Blair will be elected, and $500 that no Radical will take the bet.

THE best campaign document just now is your local newspaper, and it should be in the hands of every Democrat in the county. Will our subscribers take this matter in hand, and each secure at least one more name to our list. Circulate your home organ.

DEMOCRATIC prospects in the three great States of the West—Ohio, Indiana and Illinois—are growing brighter every day. The conviction is now strong that Seymour and Blair will sweep them all. With New York and Pennsylvania in the same column, where is Hiram Simpson to get his votes from?

THE Radical papers say "If we lose Grant's election, all is lost." There is one comfort, their loss will be the people's eternal gain.

JOHN CESSNA.

The Radical candidate for Congress in this district, John Cessna, resides in the town of Bedford. The *Gazette* of that place has this to say of him:

JOHN CESSNA.—This man is now a candidate for public office. He has thrown down the gauntlet and asks the people to pass judgment upon his claims to their support.

Is he honest? Is he capable? These questions would have been asked if John Cessna had been a candidate twenty years ago. Perhaps they are obsolete now. Perhaps in this corrupt and crime-stained age, people do not care whether they are answered or not. As for ourselves, we do care; these questions shall be asked and answered.

Is John Cessna honest? Ask the railroad company whose passes he has used as instrumentalities of corruption, the conferees he has bribed, the friends he has betrayed. Tell us not of his professed christianity. It is hollow as a drum. The man who could erect a gallows for his fellow creature with whom he drinks the sacramental wine, is another Judas Iscariot as black-hearted as the first. The man who thirsted for the blood of young Reed, *his fellow church-member*, and the son of a true and life-long friend, could hardly claim credit for much piety. Tell us not of his correct business habits. They are correct only when correctness "pays." Tell us not of his friendship for those in distress. He generally manages to make himself "whole" for the friendship was ed on such cases. Is he honest politically? Great God! What has he left untouched that is vile, foul and infamous in politics? He sold himself to the Republicans in 1861 for an election to the Legislature, sold himself back again to the Democrats for a re election in 1862, and re-sold himself to the Republicans in 1864, for the promise of a Congressional nomination. In 1865 he tried to bribe the Democratic conferees to nominate him for State Senator and in 1866 he *bought enough* delegates to the Radical County Convention to beat Col. Jordan for Governor. His game in politics has always been *buying and selling.* Is such a man *honest?*

Is he capable? Yes he *is* capable—"fit for treason, stratagems and spoils"—especially the "spoils."

He is capable of representing the people of this district in a Congress composed of the Ashleys, the Butlers, the Mullinses, the C. C. Bowens and that sort of cattle. If the Constitution is to be trampled under foot, if the negro is to be made a voter and an office-holder, if the *white man is to be* disfranchised, if the Supreme Court is to be gagged, if the President is to be impeached for partizan purposes, and above all, if the public lands are to be voted away to some gigantic corporation, whose agents are in the lobby, Cessna is capable of accomplishing as much as any man in the district. But if broad views of public policy are demanded, if fraud and corruption, malignity and devilishness are to be banished from the halls of Congress, then is he incapable, for he cannot exist in an atmosphere of which these are not constituent parts.

Is he honest? Is he capable? We defy any man who knows him as well as we do, to answer these questions in the affirmative.

NEGRO RULERS.

The people of Lancaster county, says the *Intelligencer*, had the pleasure of seeing a few negro rulers at the funeral of Thaddens Stevens. They also saw the white councilmen of Washington city walking arm in arm with their black fellow-members. All distinction between the races was completely abolished. Many Republicans were disgusted at the exhibition. How then can they wish to force a worse condition of affairs upon men of their own race in ten States of the Union? The election of Grant is urged by the Radicals because it will make negro supremacy in the South permanent and lasting. The Democracy are denounced as revolutionary, because they insist upon giving the white men of that section a fair chance, by removing the army and abolishing the Freedmen's Bureau. Such a peaceful and desirable revolution as that would be, ought to be sanctioned by every white man in Pennsylvania. Any white man who votes for negro supremacy in the South ought to feel that he had committed an act so mean and despicable *as to sink him beneath the dignity of* a gentleman.

THE Maine election will take place next Monday. The Republican majority in 1866 was over 27,000. Last year, owing to a split on the prohibitory question it was reduced to 12,000. The Radicals are now throwing into the State any quantity of men and money, and are making one of the most desperate fights on record, with *the hope of securing such a majority* as may infuse some life into their sinking ranks in other States. But the dodge won't deceive anybody. Congress has been legislating exclusively for the negroes in the South and the manufacturers in New England, and it would be strange if these two favored classes did not stick by it. But the great middle and western States, as well as the white men of the South, are disgusted with Radicalism, and will say so at the ballot box, to the utter confusion and dismay of the Rumpers.

THE expenses of the Government for the month of July, as reported by the Secretary of the Treasury, were $46,549,000—or equal to five hundred and fifty-eight millions five hundred and eighty-eight thousand dollars a year. All this sum is extracted from the labor, industry and enterprise of the masses. It is no wonder the people complain of hard times.

ON the 25th, Attorney-General Stanbery and General Tom. Ewing, Jr., of Kansas, will speak at Zanesville, Ohio. The Buckeye State is waking up gloriously for Seymour and Blair.

JOHN CESSNA is now sneaking around the corners trying to induce Democrats to vote for him. A few nights ago he said there was "nothing meaner in hell than a copperhead."—*Bedford Gazette.*

SECRETARY SEWARD, who was expected to announce himself in favor of Grant, is said to be fully convinced that the interests of the nation demand the election of Seymour and Blair.

"WHY don't the Southerners behave?"—*Tribune.* "Ma, make Bill be quiet—every time I hit him on the head he hollers."

CARL SCHURZ, after stumping Indiana in German, declares that the Dutch are no more intelligent than negroes, because they mean to vote for Seymour and Blair.

A POSTMISTRESS, a soldier's widow, in Adair, Adams county, Ohio, in receipt of a salary of $200, has been mulcted of more than $12 of it by the Radical Assessment Committee.

WE have the most cheering information from all parts of the State as to Democratic prospects. Changes in our favor are everywhere reported, and assurance of Democratic success comes from all points.

WHITE men! to the front. If you don't want to be put on equality with the negro, vote for Seymour and Blair.

CONGRESSIONAL CONFERENCE.

The Democratic Conferees of the 16th Congressional District, composed of the counties of Adams, Bedford, Franklin, Fulton and Somerset, met at the Bedford Hotel, in Bedford, on Wednesday, the 26th ult., to place in nomination a candidate for Congress. All the counties were fully represented as follows:

Adams, Samuel Wolf, Abraham Krise and Amos Lefever.

Bedford, P. G. Morgart, E. F. Kerr and James Sill.

Franklin, J. McDowell Sharpe, J. R. Orr and G. W. Brewer.

Fulton, Jacob McDonald, J. A. Robinson and J. R. Donehoo.

Somerset, Hiram Findlay, J. B. Richardson and Fred. Groff.

The conference was organized by the election of Hon. G. W. Brewer as President and J. R. Donehoo and E. F. Kerr, Esqs., as Secretaries. The following persons were placed in nomination:

Mr. Krise named Wm. McClean, Esq., of Adams.

Mr. Morgart named B. F. Meyers, of Bedford.

Mr. Orr named Hon. F. M. Kimmell, of Franklin.

Mr. Robinson named Geo. A. Smith, Esq., of Fulton.

Mr. Findlay named Hon. A. H. Coffroth, of Somerset.

The Conference proceeded to ballot, and up to the thirty-fourth ballot each candidate received the three votes from his county. On the thirty-fifth ballot Adams withdrew William McClean, Esq., and cast her vote for Meyers. On the forty-sixth ballot Hon. F. M. Kimmell was nominated by the following vote: Kimmell, 3 votes from Franklin, 3 from Fulton and 2 (Groff and Richardson) from Somerset. Total, 8 votes. Meyers, 3 votes from Adams, 3 from Bedford and 1 (Findlay) from Somerset. Total, 7 votes. On motion the nomination was made unanimous.

A committee, consisting of Messrs. Findlay, Brewer, Sill, Krise and McDonald, was appointed to inform Judge Kimmell of his nomination. The conference was then addressed by Messrs. Brewer, Kimmell, Meyers and McLean.

The committee, on resolutions, consisting of Messrs. Orr, Robinson, Groff, Krise and Kerr, reported as follows:

Resolved, That we cordially endorse the administration of Andrew Johnson in its efforts to maintain the Constitutional authority of the Government against the usurpations and innovations of a partizan mob, claiming to represent, but misrepresenting, the people of the United States in Congress.

Resolved, That in the nomination of Horatio Seymour, for Pres't, and F. P. Blair, for Vice Pres't, we recognize tried statesmen and true patriots, men whose ability is surpassed only by their devotion to their country's best interests, and that the platform of principles adopted by the Democratic National Convention, meets not only with the hearty approval of this conference, but should meet with the approval of every man who desires the prosperity and happiness of his country.

Resolved, That in placing the Hon. F. M. Kimell in nomination for Congress, we have selected a candidate of marked ability, of known integrity, and one who, as a member of the 41st Congress, will be an honor to our district, and we earnestly urge his claims upon every voter who desires that the malignant and extravagant legislation of the present Congress shall cease.

Resolved, That the proceedings of this conference be published in the Democratic papers of the district.

On motion of Hon. Hirman Findlay the conference adjourned.

G. W. BREWER, Pres't.
J. R. DONEHOO, } Secretaries.

THE BRIDGE AT COLUMBIA.—The Columbia *Telegram* says that the building of the bridge across the Susquehanna river at that borough continues to progress finely. The two iron spans in the centre of the bridge are completed, as are also two of the wooden ones beyond. There are twelve spans from the iron one to the Columbia bank and fifteen to the Wrightsville shore, making twenty-nine in all, with thirteen yet to put up. Indications are favorable to its completion by the first of January, when trains and teams will undoubtedly be crossing.

SIGNIFICANT.—The Harrisburg papers state that the recent visit of Commodores Goldsborough and Taylor, of the U. S. Navy, to that city, is full of significance and has caused quite a sensation among the *quid nuncs*. It has been suggested that their visit has relation to the opening of the Susquehanna to that city, and making it a harbor for the iron-clads of the navy.

HON. W. MCCLEAN, who was presented by the gallant Democracy of Adams, as their choice for Congress, spent some time with his friends in this place last week. Mr. McClean is a lawyer of ability and is one of the rising men of this congressional district.—*Bedford Gazette.*

ANDERSONVILLE.—The real responsibility for the suffering at Andersonville is now placed upon the shoulders of Gen. Grant. Read the startling letter of Robert Ould on our first page.

MAYOR JOHN T. HOFFMAN has been nominated for Governor by the Democracy of the State of New York. He will be elected by something like a hundred thousand!

GEARY has been making speeches in the western part of the State, abusing vastly better soldiers than himself, because they support Seymour and Blair. Geary is an ignorant, malignant and conceited ass, and his own party are ashamed of him wherever he goes. They had better tie him up.

As a practical illustration of Democratic economy, the recent Democratic Legislature of Ohio saved the State more than half a million of dollars, compared with the Radical appropriations of late years.

FROM one end of the country to the other has gone up the cry of the Radicals, "Let us have Peace." They know when they utter it, that it is uttered in a spirit of falsehood and deceit. They do not desire peace. They want to gull the people into electing Grant, that the rule of the bayonet may be made permanent. "Peace" will kill their party, and the leaders know it.

MR. PENDLETON will speak in Centralia, Illinios, on Tuesday the 15th, at Springfield on the 17th, and at Dixon on the 19th.

SECRETARY MCCULLOCH is using all his influence to secure Seymour's election. He has always been a Republican heretofore.

A DEMOCRATIC torch-light procession, in New Orleans, a few nights ago, numbered twenty thousand people!

IF you don't want negroes in the jury box, vote the Democratic ticket.

TOWN, COUNTY AND SURROUNDING COUNTIES.

Come to the Fair!—Cheap and convenient railroad arrangements will be made for the Fair.

Conowago Phosphate.—Benson & Maus's Phosphate can be had at H. S. Benner & Bro's. Price $60 per ton.

New Street.—It is said that the new street between Carlisle and Washington streets is to be opened immediately, and the Mummasburg road to the crossing point closed.

Another Horse Stolen.—A horse valued at $300 was stolen from Jacob Deardorff, Jr., at Arendtsville, on Wednesday night.

Sale of a Valuable Horse.—We understand that Mr. Harry J. Lilly, of Mountpleasant Mills, lately sold his fine trotting stallion, "Andrew Jackson, Jr," for the very handsome sum of $600 cash. The horse was purchased by Jas. R. Hersh, of New Oxford.

County Committee.—The Democratic County Committee will meet to-morrow. It is every member's *duty* to be present.

Club Meeting.—The Seymour and Blair Club of Gettysburg had a capital meeting on Monday evening. The turn out was large, and much interest manifested by all present. Wm. McClean and J. C. Neely, Esqs., made able and effective speeches.

The Club meets every Monday evening, in the Arbitration Room. The friends of the white man's cause cannot spend an evening more agreeably or profitably than there. The attendance should always be good.

Littlestown Pole Raising.—Democrats, don't forget the Pole Raising at Littlestown to-morrow afternoon. Turn out in your strength, and give the cause of Seymour and Blair a glorious start in the lower end. Several speakers will be present.

Hamilton Club.—The Democracy of Hamilton township organized a Seymour and Blair Club on Friday evening last, electing as officers the following gentlemen:

President, Dr. F. C. Wolf.
Vice President, Samuel Orendorff.
Secretary, Geo. R. Kuhn.
Treasurer, Frank. Ramer.

The Club will meet again to-morrow (Saturday) evening, at 7 o'clock, at the house of F. Ramer, East Berlin. This is starting right. The Democrats of every district should follow suit, and that *without delay. This campaign* means *work.* The eyes of the whole country are upon Pennsylvania, and a vote for the Right made or saved here in "Little Adams" will tell as much as if made or saved in Berks or York.

Improvement.—A. D. Buehler has had a handsome open front put in his Drug and Book Store, on Chambersburg street. He has also introduced costly show cases, &c., the whole making a decided improvement.

Supreme Court Case.—The case of Peter Diehl against the Adams County Fire Insurance Company, has been decided by the Supreme Court in favor of the Company—thus sustaining the ruling of Judge Fisher.

Menallen Building Association.—This association organized at Bendersville on Saturday last, by the election of the following officers:

President, Jonas Rouanzahn.
Vice President, Isaac Bender.
Secretary, A. G. Peters.
Treasurer, Samuel Meals.
Directors, Elisha Penrose, A. T. Wright, George Bender, H. N. Minnigh, G. W. Wilson.
Attorney, Wm. A. Duncan, Esq.

Railroad Meeting at Emmittsburg.—The friends of the Emmittsburg Railroad held a meeting in that place on Saturday last. Joseph Byers was chosen President, John Witherow and James Troxel Vice Presidents, and Edward McIntire Secretary. The report of Engineer Glenn was read. The road will be seven miles in length, with easy grades and curves, and will cost $110,000. Capt. Irwin and John Wills, Esq., made practical and forcible speeches. The President then called on the people to subscribe, which they did so liberally as to put the building of the road beyond question.

New Houses.—Wm. Shillenn and John Norbeck have their new houses, on Baltimore street, well on the way.

Jacob Stock has made a fair start with his, corner of High and Washington streets. It is to be two-story, with a basement, and to be built of brick.

William Relley is about to commence the erection of a handsome cottage at the east end of York street, Wm. Grumbine ditto.

Miss Martha Warren will have a dwelling erected in Chambersburg street.

J. M. Rowe is having a brick residence put up on Baltimore street.

Henry Meals is about to build a brick house on the Mummasburg road, a short distance from town.

Mechanics in the several branches of house building are busy in every quarter.

Native Stock.—At the Fair last year the stalls for native cattle were not filled. This struck many as singular, with so many fine native cows, &c., in the county. Many farmers have an idea that *blooded* cattle are only wanted at Fairs. This is a great mistake. Both classes are desired, and it is hoped that this year the reputation of the county will not be allowed to suffer in this respect. Bring your native as well as blooded cattle.

"Queer Chicken."—J. A. Danner has in possession a chicken about half grown, which walks more erectly than the parrot, and is part web-footed. This curiosity was presented to him by Mrs. James H. Marshall, of Carroll's Tract, and will be exhibited at the coming Fair—with several other oddities in the chicken line.

Race.—A race for $400 a side will come off near this place on Thursday next, between Dr. Tate's horse, "Cashier," and a horse from Lancaster.

The recent race between "Cashier," and F. Rahter's black mare, "Lady Jane," was won by the former by thirty feet. $200 stakes.

Arrested for Theft.—Frederick Klinard was arrested and brought to this place on Monday morning last, charged with stealing a double-barreled gun, shot pouch, powder flask, gum blanket, carving knife, and other articles, from George C. Carson, in Butler township. In default of $300 bail, Klinard was sent to jail, there to await trial.

Presidential Campaign Capes, Caps, &c., advertised in this issue by P. Hill, Phila. Read advt. 1t

Purchased.—The "Gettysburg Katalysine Company" have purchased the farm of George Strammel, (formerly the Hilbish Farm,) adjoining the other property of the Company on the Chambersburg road, 155 acres and improvements. They pay $15,000, in deferred payments.

Mrs. Clara M. Baugher has purchased from Rev. Dr. Valentine his house and lot on West Middle street for $5,000. Dr. V. moves into the President's house on the College campus.

Daniel Ehrehart has sold his farm, in Hamilton township, to Wesley Heagy—*80 acres for $6,200.* Mr. Heagy has since sold 17 acres of the farm to Samuel Wiest at $60 per acre, and 14 acres to John U. Ruff at $75 per acre.

Daniel Ehrehart has purchased a house and two lots of ground from *Nicholas Heltzel, Esq., on the corner* of Peters and High streets, in New Oxford, at $1,200.

New Oxford.—The march of improvement is still "onward" at New Oxford. Among the present evidences of progress may be mentioned—a large and tasteful building for drug store and dwelling by D. M. Miller, on one of the most desirable corners of the Square; a new brick residence and office by Dr. W. J. McClure; a two-story frame house by Z. Hersh, another by H. Hagarman, and another by J. Miller; also frame houses by Miss A. Myers and Martin Heltzel. Mr. Stider has put an addition to his dwelling, David Hoke has done the same, and Mr. Swartz has enlarged his store room. Miss E. Miller has improved her house. J. C. Zouck has had a new railroad switch constructed, and an office built, for lumber and coal yard. A. Sheely is also in the lumber and coal business. Before the railroad, this village consisted of but a few houses, and was at a stand-still, but now, says the Hanover *Citizen*, it has five dry good stores, two tailor shops, four shoemakers, two blacksmiths, two milliners and two dress-makers, four physicians, two hotels, four restaurants, two grain and produce houses, five carpenters, four churches, one drug store, a post office, a machine shop and steam saw mill, a land agency, &c.

Torn Down.—The old brick school house at the junction of Carlisle street and the Mummasburg road, has been torn down, Mr. Wible intending to erect a dwelling house on the site. The school house was built in 1832, by $25 shares of stock, "to be rented to the most approved Teacher at a sum not exceeding 7 per cent. on the original cost or capital invested." The stockholders were: M. McClean, John Garvin, Robert Smith, T. Stevens, T. C. Miller, D. Horner, J. L. Fuller, Wm. McClellan, S. Fahnestock, S. H. Buehler, Dicky & Himes, A. G. Miller, Jas. A. Thompson, Wm. S. Cobean, T. J. Cooper, S. S. Schmucker, and Danner & Ziegler. Of these only six are now living—Messrs. McClean, A. G Miller, Cooper, Schmucker, Danner and Ziegler.

Severe Accident.—We regret to learn that Samuel March, Esq., of Reading township, met with a very severe accident on Monday week. Whilst backing his wagon out of the barn floor, the tongue struck him with such force as to break his arm, fracture the cap of his shoulder and break his jaw in two places. At last accounts he was getting along very well under the circumstances.

Mail Route.—The mail on the Westminster and Chambersburg route, via Gettysburg, has again been changed. It now leaves Gettysburg at 4 A. M. and reaches Westminster at 11 A. M.; leaves Westminster at 2 P. M. and reaches Gettysburg at 7 P. M.; leaves Chambersburg at 7 A. M. and reaches Gettysburg at 12 M.; leaves Gettysburg at 2 P. M. and reaches Chambersburg at 7 P. M.

Academic.—Rev. J. B. Van Meter, pastor of the Methodist church in this place, has accepted the Principalship of the Male and Female Academy at Westminster, succeeding Rev. J. A. Monroe, who takes charge of a Seminary in the North. Rev. Mr. Cheston, of Carlisle, will succeed Mr. Van Meter here.

Pole Raising at Sabillasville.—A friend who was present informs us that a beautiful hickory pole, 107 feet without a splice, was raised in honor of Seymour and Blair, at Sabillasville, Md., on Friday last. About 500 working Democrats of Hauver's District were present, and the pole went up with a rush. The meeting was ably addressed by Col. Maulsby, Maj. Daugherty and Dr. Herring, and adjourned with cheers that made the welkin ring for the Democratic standard bearers.

Storekeepers, please take notice!—The undersigned are furnishing their whole line of Goods, in *large* or *small* lots, at *less prices* than they can be procured in the cities. All unsatisfactory Goods to be returned. Please call and learn prices, or send for price list.

The Ancients proclaimed that Mermaids, Nymphs, Naiads and the Graces, had long flowing tresses which made them envied by their sisters of earth. 750 MILES

OF THE

Union Pacific Railroad

Are now finished and in operation. Although this road is built with great rapidity, the work is thoroughly done, and is pronounced by the United States Commissioners to be first-class in every respect, before it is accepted, and before any bonds can be issued upon it.

Rapidity and excellence of construction have been secured by a complete division of labor, and by distributing the twenty thousand men employed along the line for long distances at once. It is now probable that the

Whole Line to the Pacific will be completed in 1869.

The Company have ample means of which the Government grants the right of way, and all necessary timber and other materials found along the line of its operation; also 12,000 acres of land to the mile, taken in alternate sections on each side of its road; also United States Thirty-year Bonds, amounting to from $16,000 to $40,000 per mile, according to the difficulties to be surmounted on the various sections to be built, for which it takes a second mortgage as security. It is expected that not only the interest, but the principal amount may be paid in services rendered by the Company in transporting troops, &c.

THE EARNINGS OF THE UNION PACIFIC RAILROAD, from its Way or Local Business only, during the year ending June 30th, 1868, amounted to over

Four Million Dollars,

which, after paying all expenses, was much more than sufficient to pay the interest upon its Bonds. These earnings are no indication of the vast through traffic that must follow the opening of the line to the Pacific, but they certainly prove that

FIRST MORTGAGE BONDS

upon such a property, costing nearly three times their amount,

Are Entirely Secure.

The Union Pacific Bonds run thirty years; are for $1,000 each, and have coupons attached. They bear annual interest, payable on the first days of January and July, at the Company's office in the City of New York, at the rate of six per cent. in gold. The principal is payable in gold at maturity. The price is 102, and at the present rate of gold, they pay a *liberal income on their cost.*

A very important consideration in determining the value of these bonds is *the length of time they have to run.*

It is well known that a long bond always commands a much higher price than a short one. It is safe to assume that during the next thirty years, the rate of interest in the United States will decline as it has done in Europe, and we have a right to expect that such six per cent. securities as these will be held at as high a premium as those of this Government, which, in 1857, were bought in at from 20 to 23 per cent. above par. The export demand alone may produce this result, and as the issue of a private corporation, they are beyond the reach of political action.

The Company believe that their Bonds, at the present rate, are the cheapest security in the market, and the right to advance the price at any time is reserved. Subscriptions will be received in Gettysburg by the FIRST NATIONAL BANK and GETTYSBURG NATIONAL BANK, and in New York AT THE COMPANY'S OFFICE, NO. 20 NASSAU ST.,

AND BY

JOHN J. CISCO & SON, BANKERS, NO. 59 WALL ST.,

And by the Company's advertised agents throughout the United States.

Remittances should be made in drafts or other funds par in New York, and the Bonds will be sent free of charge, by return express. Parties subscribing through local agents, will look to them for their safe delivery.

A PAMPHLET AND MAP FOR 1868 has just been published by the Company, giving fuller information than is possible in an advertisement, respecting the Progress of the Work, the Resources of the Country traversed by the Road, the Means for Construction, and the Value of the Bonds, which will be sent free on application at the Company's offices or to any of the advertised agents.

CATTLE DISEASE.

Great excitement has existed for some weeks past in the principal cattle markets, and along the thoroughfares leading to them, on account of a dreadful scourge which has raged among cattle. "This excitement can hardly be wondered at," says the *Prairie Farmer*, "when it is estimated that $300,000 will not pay the losses in Champaign county alone," in Illinois, within a comparatively brief period.

The disease, after all the investigation given it, is attributed altogether to the introduction of Texas cattle, which, strange to say, exhibit no indications of the disease themselves. Another important fact, which leads to the hope that the scourge will be limited in its effects is, that it is not communicable from cattle that take it from the Texans. Those and those only that travel in the same track, and feed on the same pastures, or are put into the same enclosures with the Texas cattle, take the disease, and its course, it may be hoped, will be a short one.

Another important fact is mentioned with confidence, viz: that the poison of the disease does not affect either the meat or the milk of the cattle suffering under it—a comfort to such as may be ignorantly obliged to consume the beef, which since the appearance of the disease in Illinois, has been run off to market in great quantities.

Professor Gamgee, Principal of the Albert Veterinary College, London, being in the West when the disease broke out, has given it special attention, and makes a report to the Pork Packers, Association, Chicago, from which we quote the following:

"The farmers of our country would call this disease 'black water.' It is very similar to the 'darn' of Aberdeenshire, and it has been described as occurring in various parts of Europe. There are, however, some very important features in the outbreak we are at present studying, and it is essential I should state distinctly that which I consider to be matter of fact, and distinguish this from what at present may be pure theory, though opinion of a tolerably decided character can already be formed.

In the first place, the malady follows the track of Texan cattle, and is not found beyond. The Texas cattle are themselves healthy, and we have failed yet to see a diseased one. Native cattle do not communicate the disease to other native cattle, and sucking calves continue to suckle their sick mothers without contracting the disease. In one case a calf suckled its dam until the latter died; it was then placed with a cow that also died, and lastly, with a third one that succumbed too, without indicating the slightest symtons of ill health.

Secondly, I consider that there is no specific animal poison causing the spread of the disease. It is not a malady belonging to the class of true plagues, or epizootics; it has a local origin, from cattle grazing on certain lands in Texas, and if you took cattle South, and grazed them where the Texan steers enjoy perfect health, from being acclimatized and accustomed to peculiar pastures, you would find the cattle of the North dying in the South, as they are doing at present in the State of Illinois.

It is not an uncommon circumstance for animals, which are themselves healthy, being the carriers of disease-producing elements, though there is something unusually virulent discharged by the Texan herds, and discharged only during the summer months.

This malady has been classed in Europe by some authors, among the forms of anthrax, or carbuncular fevers, which originate spontaneously where there is insufficient heat on ill-drained, retentive soils, and widely over the marsh lands of Central, Southern, and Eastern Europe.

But, gentlemen, it is a consolation to know that there is not the slightest danger of any evil arising from the drinking of the milk of the sick cows, and I should have no scruples in eating the flesh. They are not poisoned by any specific virus calculated to do injury to men or animals, and in laying before you a theory of the origin of this disease, I am strengthened by facts which I have gleaned during investigations of similar disorders in Europe.

About spring time and early summer, in all probability, the Texan cattle eat, as our own do in some parts of Scotland, the young, succulent shoots of peculiar trees, highly charged with astringent pinciples. On unbroken ground, highly charged with moisture, and adjoining wood lands, there are, as the hot weather sets in, many things sprouting, which animals will not touch later in the season; and in the motts of Texas there is the live oak which grows in the Gulf States, where indeed cattle are reared which have been known in times past to disseminate this disorder, for the cattle of Florida are as dangerous north of a certain line, as the steers of Texas. From this peculiar feed, therefore, the animals get their systems impregnated with materials which do not destroy the stock accustomed to a special living in a given latitude, but which being thrown off in the urine and the excrement, induce the "black water," or peculiar form of "enzootic hæmaturia," which is now killing the cattle of this and adjoining States."

SALT AND LIME TO PREVENT GRAIN FROM LODGING.—A correspondent says:—"Two years since I noticed in one of my agricultural papers, that a mixture of salt and lime would stiffen the straw of the growing wheat, and to a certain extent prevent it from lodging. I resolved to try the experiment. I made a mixture in the proportion of two parts (weight) of lime to one of salt. I permitted the mixture to lie in the heap some three or four weeks before applying it. I then spread it over a part of a field at the rate of a ton and a half to the acre. The result was, that in that part of the field, my wheat all stood well, while in the remainder it all went down before the heads were entirely filled. I need not tell you how much easier the former was to cut than the latter. The yield was decidedly better, and in addition to these advantages, I found the clover, on the part to which the mixture had been applied, larger and finer than where it had not been."—*Nat. Ag. and Penn. Farm Journal.*

KISSINGER & SHIREMAN,

NO. 2 WEST MARKET STREET, YORK, PA.,

AGENTS AND DEALERS IN PIANOS, CABINET ORGANS, MELODEONS, AND ALL KINDS OF MUSICAL INSTRUMENTS,

respectfully inform the public that they are prepared to furnish Pianos of the following manufacture or of any other make that may be preferred:

Albright, Reikes & Schmidt, Chickering & Son, Bradbury, Manbe & Son, Gale & Son,

ESTEY'S CELEBRATED

COTTAGE, HARMONIC AND BOUDOIR *ORGANS AND MELODEONS.*

These Instruments stand unrivalled by any thing found in this country or in Europe, as is admitted by all impartial judges. The most eminent Pipe Organ Builders and Performers, the last to discover excellence in reed Tone, pronounced them vastly superior to all others for exceedingly quick articulation and round Tone, the essential feature in instruments of this class. We invite the severest scrutiny and criticism on all.

PATENT VOX HUMANA TREMOLO.

This late and most wonderful invention (so acknowledged by all leading artists) will be found only in the Estey Instruments. In attempting to describe the effect of this stop, we are at loss for language. Its beauties cannot be written, but must be heard to be appreciated. By this stop an ordinary performer can produce an effect which requires a life time of practice for an artist upon a violin. It entirely changes the reed Tone, giving the sympathetic sweetness of the human voice, making it so melodious and pure that it never fails to enchant the listener.

THE HARMONIC ORGAN

for Churches, Public Halls and Parlors has a powerful solo Bass with independent reeds, Harmonic attachment and Vox Humana Tremolo, and is believed to be the most powerful reed organ made, being nearly equal to a Pipe Organ of three times the cost.

All instruments warranted for five years.

☞BRASS BANDS supplied with instruments and music at reasonable terms.

A liberal discount allowed for Churches and Sabbath Schools.

☞Instructions given both in Vocal and Instrumental Music, at our rooms, and at pupils' homes, either to individuals or classes, on reasonable terms.
